OFF-HIGHWAY  
VEHICLE DESIGN

# Summer School Off-Highway Vehicle Design

An immersive **two-week experience** (June 23rd – July 4th, 2025) at the **Department of Agricultural and Food Sciences - University of Bologna** and **CNH Italia** in Modena, combining **hands-on learning, factory tours, meetings with industry experts, and a team competition** where students design, prototype, and test an off-highway vehicle. Aimed at **students** who are enrolled in or have completed a bachelor's degree in engineering or STEM fields.

The initiative, promoted by MUNER to **engage new generations in sustainable vehicle design** and to provide orientation to its Master's Degree programs, is part of the **MUSE - Motorvehicle University Skills Empowerment** project, co-funded by the Emilia-Romagna Region and FSE+ 2021/2027.

Co-funded by  
the European Union
